Prior Funding History / Additional Information:**Project Description/Justification:**

For the Division of Elections to receive and expend these funds, a two-step process required. First, to authorize the grant receipt in the State Election Fund, the legislature must appropriate the grant proceeds along the required state match to the State Election Fund. Second, to authorize the expenditure, the Legislature must make an appropriation to the Division of Elections authorizing expenditure of grant proceeds for the allowable purposes.

In addition to this direct appropriation request, the following fund capitalization language is included in a FY2022 operating Governor amend package to authorize receipt of the grant and general fund match in the State Election Fund, along with an immediate effective date and statement that the appropriation does not lapse:

*** Sec. xx (a) FUND CAPITALIZATION.** The sum of \$1,000,000 is appropriated from federal receipts and \$200,000 from the general fund to the election fund required by the federal Help America

Vote Act.
